

JECINTER ANYANGO

EXECUTIVE VIRTUAL ASSISTANT | ADMINISTRATIVE & OPERATIONS SUPPORT

Nairobi, Kenya

TEL: +254 715 224 711

Email: anyangojecinter43@gmail.com

LinkedIn: <https://www.linkedin.com/in/jecinter-anyango-422483236/>

PROFESSIONAL SUMMARY

Executive Virtual Assistant with experience supporting busy professionals and remote teams with calendar and inbox management, meeting coordination, research, task tracking, documentation, CRM updates and administrative workflows. Skilled at managing competing priorities, following up on outstanding tasks and keeping information organized and accurate. Brings additional strengths in data management, reporting and workflow automation, with a strong ability to work independently in remote environments.

CORE COMPETENCIES

Executive & Administrative Support • Calendar & Inbox Management • Meeting Coordination • Task & Deadline Tracking • Project Coordination • Research & Reporting • CRM Management • Client Follow-ups • Data Management • Document Preparation • Workflow Automation • Remote Collaboration.

PROFESSIONAL EXPERIENCE

Data Entry & Validation Specialist

SnappyCX – Sustain, LLC (Cleveland, Ohio) Contract | Remote| Feb 2026 – Apr 2026

- Entered, reviewed and validated structured data to ensure records were accurate, complete and consistent.
- Cross-checked information across records to identify discrepancies, missing information and data-entry errors before final submission.
- Corrected and standardized records according to established guidelines and quality-control requirements.
- Managed high-volume, detail-sensitive tasks while maintaining accuracy and meeting project deadlines.

Executive Virtual Assistant

SIMBA AI | Remote | Aug 2024 – Aug 2025

- Provided day-to-day executive and administrative support, including calendar and inbox management, meeting coordination, task tracking and document organization.
- Monitored emails, calendars and work communications to identify priorities, deadlines, pending requests and items requiring follow-up.
- Coordinated meetings and appointments, handled scheduling changes and kept relevant contacts updated.
- Tracked tasks and proactively followed up on outstanding actions to keep projects and client requests moving.
- Created automated workflows using Zapier to streamline repetitive administrative tasks, improve task tracking and reduce manual follow-ups.
- Conducted online research and prepared clear summaries and reports to support business decision-making.
- Maintained spreadsheets, documents and CRM records to keep business information accurate, organized and accessible.

Call Center Agent / Independent Travel Agent

ASAP Tickets (Dreamport) (Wilmington, Delaware) | Dec 2024 – Jul 2025

- Managed high volumes of inbound and outbound customer interactions involving flight bookings, changes, cancellations and payments.
- Converted customer inquiries into completed bookings while resolving customer concerns professionally and efficiently.
- Maintained accurate customer and transaction records and provided clear follow-up communication throughout the booking process.

TOOLS & TECHNOLOGIES

Administrative & Productivity: Google Workspace, Microsoft Office, Notion, Trello, Asana, monday.com, Zapier

CRM & Customer Support: HubSpot, Zendesk, Zoho CRM

Data & Reporting: Excel, Google Sheets, Power BI, Tableau, SQL, Python

Communication: Zoom, Google Meet, Microsoft Teams, WhatsApp

Other: Canva, Google Drive, Dropbox

ADDITIONAL TECHNICAL EXPERIENCE

Completed hands-on data analysis projects involving data cleaning, exploration, visualization, reporting and modelling. Used Python, SQL, Excel and Power BI to analyse datasets and communicate findings through dashboards and reports. This technical background strengthens my ability to manage business data, prepare reports and support data-driven administrative workflows.
